

La Variété Française

©2012, The Seraphim Singers

In celebration of its 15th anniversary season, The Seraphim Singers returns to an ensemble specialty with “La Variété Française,” a compilation exploring the majestic grandeur of 20th-century French sacred music. This special anniversary performance was recorded live on February 19, 2012, at Mission Church in Boston, Massachusetts. Organists Heinrich Christensen and Glenn Goda join the ensemble for double organ works, displaying Mission Church’s magnificent George Hutchings pipe organ and a digital replica console built by Marshall & Ogletree.
